

# DSA 2019 Audition Class Dance, Drama, and Voice

Saturday, February 2

DSA is offering prospective students a chance to work on the audition process and individual audition pieces for their school auditions, or any audition, in dance, drama and/or voice, on Saturday, February 2, 2019. These classes are offered as a fund raiser for Thespians and the Dance and Vocal Departments and will be run by dance, drama and vocal students (no teachers will be watching the classes to keep things fair.) We will offer two sessions each for dance, drama and voice. Students may take one session for \$25.00 or two sessions for \$45.00. Students who wish to take two sessions should bring a lunch.

Students should bring their chosen monologue(s) and appropriate music, or be prepared to perform their dance solo. DSA auditioners should look at the application for guidelines. For other auditions, bring whatever piece you would like to work on.

Please fill out the application below and return it with payment to DSA by Monday, January 28, 2019. Checks or money orders preferred.
